

DROP DEAD WEIRD SELECTED AS A FINALIST FOR THE 18TH SCREEN PRODUCERS AUSTRALIA AWARDS

We're excited to announce that Ambience Entertainment's, Air Pig Productions and Telegael's children's comedy series Drop Dead Weird has been selected as a finalist for the 18th Screen Producers Australia Awards.

Alongside many great productions, Drop Dead Weird has been nominated for Children's Series Production of the Year.

Drop Dead Weird follows the hilarious antics of an Australian family who moves to Tubbershandy to save their family B&B. With three 'fish out of water' Aussie kids, one kooky Irish grandfather and two flesh eating zombie parents running a B&B in a remote seaside Irish village... Things are going to get weird... Drop Dead Weird!

We're so proud to have worked with such a sensational team of talented cast and crew who created this series with enthusiasm, passion and integrity. They deserve this nomination and we sincerely hope they win!

We wish to congratulate all finalists for the Children's Series Production of the Year. If you're a SPA member we would appreciate your vote for Drop Dead Weird. Voting closes on Friday the 28th of September.

Award winners will be announced at [SCREENFOREVER](#) on Thursday, 22 November at The Forum Theatre in Melbourne.
